

How to Create a patient on Dashboard

1

In your internet browser of choice open:
dashboards.uk.aetonix.xyz/

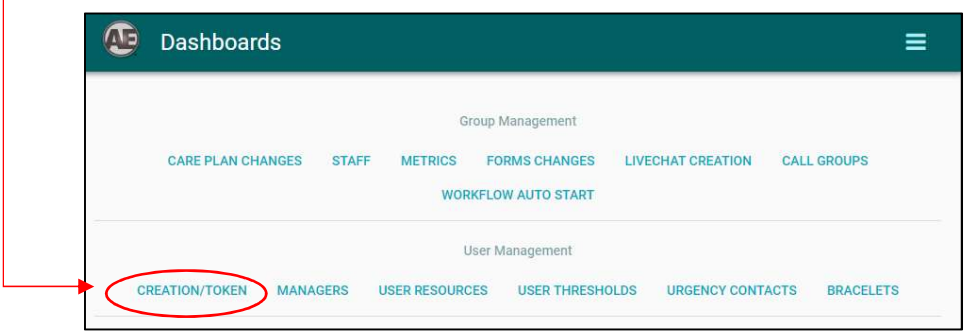

2

Log in using your organisation's **admin login**: e.g admin01@gstf.icu (same password as tablet logins)

3

Under the 'User Management' heading click on 'Creation/Token'

4

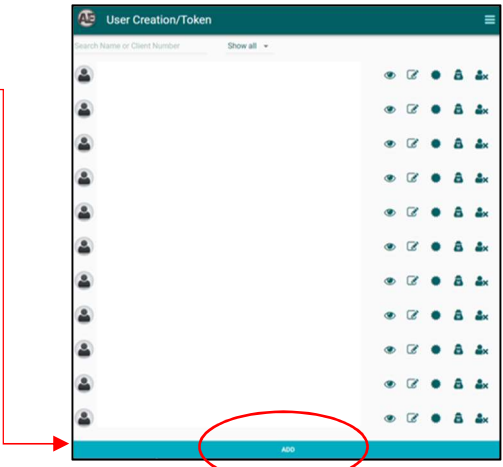

At the bottom of the page click 'Add'

5

Enter first name and last name and add patient to User Management Group if made.

6

Click Create.
